

Paul Tadros, LLM, CPA (Illinois) and CA (Canada), is President and CEO of DSN Consultants Inc. (DSN). DSN is an independent member of the Latin American Legal and Tax Network®. He has over 28 years experience in the areas of international business and tax consulting. Paul was a Partner (U.S. International Tax Services) with a Big 4 Firm and, prior to this, he managed the international tax functions of two multinational companies headquartered in North America. These companies have holdings in the US, the Caribbean, Latin America, Asia, and Europe.

Paul has specialized in U.S. outbound tax planning with a focus on Latin America and the Caribbean and has extensive experience in cross border mergers and acquisitions, reorganizations, corporate structuring, financing and initial public offerings. He is well known for his extensive knowledge of income tax treaties and the efficient / effective applications thereof. He is a frequent speaker at international tax conferences and has authored numerous articles on the tax systems of Latin America and the Caribbean including analyses of the treaty networks. As a result, his experience includes advising some national governments regarding their treaties and legislation affecting international tax and business issues. Some of the articles published [publisher / journal shown in ()] were:

- Submission to House Ways & Means Committee (US) on tax reform.
- Foreign Investment in Peru (Análsis Tributario)
- Caricom and Andean Pact: A Comparison of the Tax provisions found in Regional Agreements (CCH Tax Treaties Reporter)
- Barbados-US Tax Treaty Protocol Addresses Inversions and Exchange of Information (Tax Notes International)
- Utilization of Trade Agreements with Comprehensive Tax Treaties (Practical Latin American Tax Strategies)
- The Income Tax Treaties of Latin America [published in five (5) parts – Argentina, Brazil, Chile, Mexico, and Venezuela] (Practical Latin American Tax Strategies)
- Caribbean Inbound Investment – A US Perspective (Practical Latin American Tax Strategies)
- Investment in the Republic of Trinidad & Tobago – A US Perspective (Practical Latin American Tax Strategies)
- Income and Capital Tax Conventions Between Canada and Countries of Latin America (Practical Latin American Tax Strategies)
- Utilization of the Andean Multinational Company (Empresa Multinacional Andina) (Practical Latin American Tax Strategies)
- Caricom Single Market & Economy – Analysis and Opportunities (Practical Latin American Tax Strategies)

He was also the founder and first President of The American Chamber of Commerce of the Eastern Caribbean.
